2. A-DD/A did not feel that this was necessary and called a meeting of A-DD/A, AD/P, DDI/Admin and OCD. At this meeting it was agreed that instructions would be issued within the Office of Personnel whereby the various elements of DD/I would be permitted to overlook and double slot by the IA method and actually exceed their ceiling for the individual DD/I elements as long as the overall DD/I on-duty ceiling was not exceeded. This agreement covers IAable positions (group jobs) only and does not provide for double incumbency of high technical or supervisory positions unless definite assurance is given that the office concerned has submitted a personnel action transferring one of the individuals out of the slot or has an actual resignation on hand; in which event it was agreed that double slotting would be permitted for a 30-day period on this type of position.

3. The instructions should also cover the point that the Placement Officer servicing the DD/I organizational component concerned would be advised as to the need for exceeding the ceiling and double slotting on unusual or unique cases.

4. Will you please draft this OPM and let me review in draft form.
